LUMI

Whenever, wherever design chair LUMI

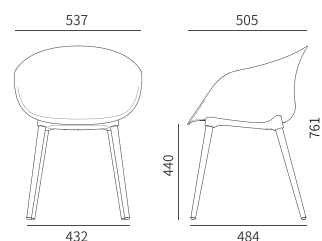

Whenever, wherever design chair LUMI

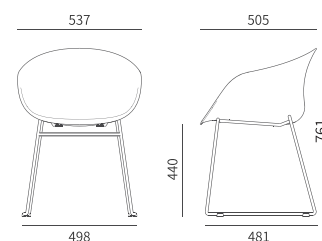

The LUMI chair can be combined with a variety of color and leg options. Each leg option with different material and shape such as wooden legs and steel legs can be applied to home, commercial space, resting space, outdoor space. Soft creamy white and vivid color of green and pink can bring up the image of tropical mood, also make the interior enrich by invigorating the space. The organic curved plastic shell gives you the comfort of wrapping your body when you are seated, and makes your feel relaxing with moderate tension.
